St Peter's Festival

Regardless of who we are, our age, race, faith or ability, St Peter's is probably the place we call home.

The Festival comes from the simple idea that we should celebrate our community and make the most of what we have.

We thank the Big Lottery Fund who are supporting the amazing *Kaleidoscopia*, transforming one of St Peter's most notable buildings.

There's loads more to enjoy: music, sport, theatre, art and craft – hopefully something for every taste.

If you want to know more about the St Peter's Festival check out and join our Facebook group.

Finally a word of thanks to our local partners who have helped make this Festival possible: Whittington Church, St Peter's and St Mark's Churches, St Peter's Parish Council, Tesco and C&T.
